

OUR PLANS FOR THE WEEK

Week Commencing: 16th December 2024

This week's plan... along with some Christmassy themed things.

English:

This week the children will be writing their own version of The Dreadful Menace and choosing their favourite piece from this half term to write up in neat.

Maths:

This week we will continue to learn the methods of subtracting fractions. To support your child in maths follow the link to access knowledge organisers for each block of learning.

<https://boxgrove.surrey.sch.uk/curriculum/maths/>

Geography:

We will look closely at the population of certain countries and cities within South America and think about why they might be so densely populated.

Science:

This week we will see if some changes result in the formation of a new material.

The Year 5 team would like to take this opportunity to thank you for your support this term and to wish you all a lovely Christmas break.

Please can we ask that with the arrival of the colder weather you make sure that your child brings in a coat and that all items of clothing are named. Thank you.

GENERAL REMINDERS:

The children will be taking part in PE every Thursday. Please ensure that your child has weather appropriate PE kit, including trainers.

The children should have a pair of trainers at school that they change into at break time and lunch.

The children are encouraged to have a named bottle of water to keep in the classroom.

Pencil cases should be small enough to fit into their trays.

Children are welcome to bring in fruit or vegetables from home if they would like a break time snack.

Milk can be ordered and paid for online. Please ask at the school office for details.

Year 5 swimming day is Tuesday. Please ensure your child has a named swimming kit.

This week's spellings:

The children will have the opportunity to revisit and revise the spellings they have learnt this term that have proved a little challenging.
