Week beginning 24th February, 2025

Please continue to practise your child's speedy sounds and put these into words together using Fred Talk.

Our plans for the week ahead:

Our topic this half term is - Come Outside!

PSHE

We will be exploring the concept of "Random Acts of Kindness" in school. Ask your children how they have been kind to others this week!

Maths

Children will be learning all about 'Time' this week. We will be sequencing the events of our school day and exploring what an analogue and digital clock looks like at different points in our day.

Understanding the world

We will be learning all about plants and flowers and planting our very own sunflowers!

Expressive Arts and Design

This week children will be doing observational drawings of flowers using water colours.

Communication and Language

We will be practising our conversations this week. Children will be taking turns in small group games to use full sentences when communicating.

We will be using the story of Jack and the Beanstalk this week to make shapes with our bodies.
