Bug Man Visit

We are delighted to confirm details of an upcoming experience we have planned for Year 2 children.

On Thursday 5 February the children will have the opportunity to take part in a minibeast workshop at school run by a company called Bugfest. The children will be able to (if they want to) handle a selection of creatures, as well as learning about habitats, classification, adaptation, predator/ prey, camouflage and life cycles.

Guildford Castle

As part of the children's topic on Castles, we are planning a school visit to Guildford Castle, as outlined above. The children will have the chance to look around the castle grounds and visit the castle keep. We know that this will prove to be a stimulating part of this term's topic. On each of the days listed, the coach will pick the children up from school at 9:30am. The children will then return to Boxgrove in time to have their lunch. The children will need a waterproof coat as they will be completing some learning outside.

Please notify the School Office via Studybugs if there have been any changes to the contact details or medical information on our records.

In order to finance these activities a voluntary contribution of £16.90 is requested. This payment will be available on your MCAS account along with any other outstanding payments. Pupils will not be excluded from these activities if parents are not in a position to contribute, but as we are not able to fund the activity in any other way it will be cancelled unless we can cover costs in full. If you are experiencing financial difficulty, please can we refer you to our Hardship Policy which you will find on our website.

Yours sincerely
