

RECEPTION'S PLANS FOR THE WEEK

Week beginning Monday 11.5.26

Our LEARNING

Our plans for the week ahead:

Phonics

Please continue to read at least 3 times a week at home. Practise the green and red words in the front of your story books and record in your child's reading diary when you are reading at home!

PSHE

This week we will learning how to use mindfulness techniques to calm us down. We will also revisit the zones of regulation.

Maths

This week we introduce the children to the concept of sharing using real life objects. Please mirror this at home during meal times and when playing with toys. For example. We have 10 grapes here in this bowl. Can we share them equally between us?

Understanding the world

We will be learning about SPACE. First, we will find out what the children already know and build from there using stories and play as a vehicle to expand on their knowledge.

GENERAL REMINDERS:

Red Words

Red Words Set 1				
I	the	my	you	said
your	are	be	of	no

Red Words Set 2				
what	all	was	we	so
to	me	call	her	there
want	go	old	some	he

Things to know

Sun tan lotion, sun hats & water bottles

As the sunny weather joins us, please can we ask that you send your child into school with a sun hat (named) and please apply sun tan lotion before the start of the school day. We recommend the long lasting 8 hour lotion which only needs to be applied once. We cannot apply sun tan lotion to children within the school day. Please can we also ask that your child has a full water bottle at the beginning of each day. We can top up water bottles within the day if needed.

We are excited to announce we have a dental talk next week. This will link beautifully to 'people who help us'.

Thank you

RECEPTION'S PLANS FOR THE WEEK

Week beginning Monday 11.5.26

Expressive Arts and Design

Sensory art using our hands and different surfaces.

Communication and Language

Describing pictures and images of space using adjectives.. The sky is **jet** black.
