TO: ALL YEAR 1 – 6 PARENTS / CARERS

Dear Parents/ Carers

Re: **SCHOOL REPORTS AND ACKNOWLEDGEMENT**

This year school reports for the Academic Year 2025 – 2026 will be sent home via your child's MCAS account (please check both your App and email account) at the end of the school day on **Wednesday, 8 July 2026**. The report will also include information regarding your child/ren's attendance from 4 September 2025 - 19 June 2026. We hope that you will feel proud of your child/ren's achievements.

When you read your child/ren's report, you will find the key statements linked to the year group's curriculum. These statements show you the age-related expectations for them and your child/ren's classteacher has ticked their grade: **working towards** the expected level; **working at** the expected level or working at **greater depth** within the expected level for their year group.

You will also find an effort and progress grade, which provides greater information about how your child/ren regularly perform in the classroom. It is very important that effort is recognised, as consistently trying your best and showing resilience is key for success. The progress indicator reflects achievements made against the age-related expectations:

Effort – varying, consistent and excellent

Progress – some good and excellent.

If you have any questions or queries about your child/ren's report, we would encourage you to email office@boxgrove.surrey.sch.uk and request a phone call.

For our records, it is important that you complete the **Microsoft link below** to acknowledge receipt of your child/ren's school report. Thank you for your help with this. Should you require a paper copy of your child/ren's school report, please speak directly to your child/ren's classteacher.
