

RECEPTION'S PLANS FOR THE WEEK

Week beginning Monday 7th September 2026

Our plans for the week ahead:

PSHE

This week we will continue to practise separating from our grown ups and remembering to tell them all about our day at home time!

Understanding the World

This week we will explore different areas of our school and learn how to move between them.

Expressive Arts and Design

Children will begin to paint a picture of themselves and their loved ones to display in the classroom.

Communication and Language

We will begin learning each other's names and see how many we can remember at the end of the week!

Physical Development

We will be focussing on moving around our classroom environment safely.

GENERAL REMINDERS:

Snacks!

A gentle reminder that children need to have a small morning and afternoon snack that is either fruit or vegetables. Please pop these in a labelled box/bag as they are easily confused! Please no nut products of any kind.

RLM (Elmer Class) Update this week.

This week Mrs McFarlane and Mrs Loan have swapped a working day so your teachers will be:

Tuesday and Wednesday = Mrs Loan

Monday, Thursday and Friday = Mrs McFarlane

We can't wait to see you all again this week!

We will see Group A on Monday and Wednesday

We will see Group B on Tuesday and Thursday

We will see everyone in school on Friday!
