Welcome back. We hope you all had a wonderful break and are ready for the next half term. The children loved sharing their Home Learning with us on the last day of term. As always, thank you to the parents in supporting your children to do this. It really does make a difference.

We start our new History topic shortly after Remembrance, Playtime through Time and we would like to ask the children to bring in a small toy from home. It can be an old toy (maybe from grandparents) or a toy they like to play with now. We will let you know what day but you can start thinking about maybe bringing in something unusual or have time to ask grandparents for something older.

Phonics

Each week you can practise the following phonics with your child.
